Mr Graham Hauck,
Administrator,
ISSFAL

Dear Graham,

This letter serves as my statement of any potential conflicts of interest that could interfere with my role as a member of ISSFAL Board of Directors.

I am compensated by Deakin University in my part-time (0.6x fraction) employment at Deakin University.

Further, I am scientific advisor to the Omega 3 Centre (Australia) for which I receive an honorarium annually. This Centre is a group of companies and organisations with a strong interest in promoting the science of omega 3 fatty acids.

I have no intellectual property, equity holdings, unique industry affiliations nor other activities with private corporations.

Sincerely,

Sincerely

Andrew Sinclair
